### Press release

### Dr. R.K.Pachauri to give inaugural keynote in the 4<sup>th</sup> Bihar Science Conference

**Patna (Bihar):** In a major development, **Dr. R.K. Pachauri, a Nobel Laurete** from India has accepted to give inaugural keynote in the **4<sup>th</sup> Bihar Science Conference 2011** scheduled to be held at L.S College(Under BRA Bihar University, Muzaffarpur). Briefing to media, **Mr. Bibhuti Bikramaditya**, chairman of BBrains Society said that his contribution to the world as head of the powerful IPCC (Intergovernmental panel on climate change) on a wide array of issues related to environment, including the much talked about global warming and climate change is well known. He has been awarded as Nobel Peace Prize in 2007 for which we the all Indians has pride. We consider his efforts as greatest service to the mankind. We feel that his innovative and visionary experimentations as environmentalist may find meaningful expression by his Bihar visit in this conference.

**Sri Nitish Kumar, Hon'ble Chief Minister of Bihar** who has been inaugurating the past **Bihar Science conferences**, is going to be invited as Chief guest in the inaugural function. **Dr. APJ Abdul Kalam**, HE former President of India was the inaugural Keynote speaker in **3<sup>rd</sup> Bihar Science Conference 2010** held at Gaya.

This initiative of bringing Bihar Science on track and building research environment in the state has been taken by **BBrains Scholastic Center**(under **BBrains Development society**) which organized earlier three consecutive Conferences in 2008, 2009, 2010 at Patna Science College, College of Commerce and Gaya College, Gaya. The fourth in a series is now being hosted by prestigious premier institute **LS College Muzaffarpur (under BRA Bihar University)**.

**Dr. Sunity Pandey, Principal of LS College** who is also chairman of the conference said that around 1000 delegates from India and abroad including larger no. of

foreigners and foreign delegates from Mexico, Thailand, Russia, UK, USA, Korea and other countries keynote speakers in the technical session are participating in the conference. The names are

**Dr Boontawee Suntisrivaraporn**, (School of Information, Computer, and Communication Technology (ICT), Thammasat University, **Thailand**), **Dr Jorge Roberto Sosa Pedroza**, (National Polytechnic Institute, **Mexico**), **Dr Barbara Sanchez Rinza**, (Dept. of Computer Science, University of Puebla, **Mexico**), **Dr Irina S. Dolgoplova** (Baikal National University of Economics, **Russia**), **Sri Ramesh Yadav** (C.O.O, Cradle Technologies inc., **USA**), **Dr Ivo Pineda Torres** (Dept. of Computer Science, University of Puebla, **Mexico**), **Dr Francisco Javier Carillo**, (Director, Center for Knowledge Systems and Professor, Monterrey Institute of Technology, **Mexico**), **Dr Jose Torres Jimenez CINEVESTAV** (**National Polytechnic Institute**, **Mexico**), **Dr. Sudhir Ranjan** (Dept. of Chemical Engineering, Carnegie Mellon University, **USA**), **Dr. Ajay Kumar Jha** (Department of Ag & Resource Economics, Colorado State University, Fort Collins, **USA**), **Dr. Dhananjay Kumar** (Geophysicist, Chevron, **USA**), **Dr. Sindhu Dayal** (Scientist F, Joint Director

Solid state Physics Lab, DRDO, **Delhi**), **Sri B.K. Karna** (Director, Indian Institute of Packaging, **Hyderabad**), **Dr. V.N. Sharma** (Water Management Consultant, **Ranchi**), **Dr. O.P. Mishra**, (Head, Geological Disaster Management Center, SAARC Disaster Management Center, **Delhi**), **Dr. Jitendra Kumar**, (Vice President, ICICI Knowledge park, **Hyderabad**), **Dr. N.K. Pandey** (Dept. of Physics, University of Lucknow, Lucknow), **Dr. Diwakar Tejaswi** (Consultant Physician and Medical Director, Public Awareness for Healthful Approach for Living (PAHAL), Patna), **Dr. Sanjay Kumar** (Principal Scientist, Division of Genetics Incharge, Business Planning & Development Unit, Indian Agricultural Research Institute, New Delhi 110012, INDIA), **Dr. Manis Kumar Jha** (Asst. Director/Scientist-E, Metal Extraction and forming division, National Metallurgical Laboratory, Jamshedpur), **Prof. Raman Jha** (Principal, Silliguri Institute of Engineering and Management, Silliguri), **Dr. Imteyaj Qamar** (School of Biotechnology, Gautam Budha University, NOIDA), **Dr. Himanshu Shekhar** (Joint Director, HEMRL (DRDO), Sutarwadi, Pune) **Prof. Ashok Ghosh** (Dept. of Environmental Science, A.N. College, Patna), **Prof. H.C Verma of IIT Kanpur**, **Prof. Vijay A. Singh** of Tata Institute of Fundamental research etc.

**Dr. Pankaj Kumar**, the **convenor** of the conference said that apart from the conference technical and plenary session, the interactive session on **Innovation and Entrepreneurship** is also being organized. Many entrepreneurs from India including Mr. Irfan Alam of **Samman** Foundation has been invited. This interactive session will be combined session for all participants. Online Webcasting of conference and lecture thru video conferencing has also been arranged.

A science and technology Festival called "**SciTechFest**" is also being organized outside the conference hall where students and young innovators of Bihar would show their project/product models. Best project will be awarded and will be sponsored by the society to give flip in the project.

**Prof. Rajmani Prasad Sinha**, former Vice Chancellor of LN Mithila University and chairman of 25 member Global Scientific Council said that

BBrains Development society is committed to bring a change in science and technology environment in the state through this kind of conferences, scientific meets and establishing universities and R&D institutions. This is possible with support from global scientific community, he added. This conference will be an excellent opportunity to report research outcome in the frontline areas of science and technology. National and international scientists from government, academia and research institutes are welcome to present and discuss the research work.

The **three day affair** will have oral and poster presentation which covers all areas of Physical sciences, Chemical sciences, Biological sciences, Earth sciences, Electronics and Information Technology, Mathematical sciences, Medical Sciences, Water Resource Management and Clinical Psychology. There will be best oral presentation awards and best poster awards to be selected from each of the subject areas.

Apart from Young Scientists award in different subjects, the society is also planning to give "**Scientist of the Year Award**" to those scientist of Bihar who contributed in science inventions and innovation in science and technology.

The call for papers has been invited and abstract can be submitted online ONLY. Last date of submission of abstract is **January 20, 2010**. The details can be found on [www.bbscindia.com/ScienceConference](http://www.bbscindia.com/ScienceConference)

Warm Regards,

  
**Bibhuti Bikramaditya**
