Press Release:

**5<sup>th</sup> Bihar Science Conference 2012 rescheduled on October 4-6,2-012**

The Special meeting of Global Scientific council of BBrains Development Society commonly known as 'BiharBrains' was held today at the chamber of Chairman of Bihar School Examination board, Patna for organizing **5<sup>th</sup> Bihar Science Conference 2012, An international Conference on Science and Technology** . Following decisions were taken unanimously

1. The conference which was scheduled to be held from Feb 10-12, 2012, will now be held between October 4-6, 2012. The conference will be organized every year on this date which also happens to be the establishment day of the society.
2. The format of the conference has been restructured. The conference was held every year on pattern of Indian Science congress; now it will be organized in Private common place at Patna.
3. The Inaugural Session of the conference will be held at Sri Krishna memorial hall and Parallel technical session will be held at AN Sinha Institute.
4. **Prof. Rajmani Prasad Sinha**, Chairman of the Bihar School Examination Board, has been elected as Chairman of 5<sup>th</sup> Bihar Science Conference ; **Prof. H.C Verma of IIT, Kanpur** and **Prof. Ajay Kumar Jha, Program Director(Dept. of Agribusiness and International Development) of Colorado state university,(USA)** has been elected as Vice chairman of the conference. Prof. S.P.Verma (President, Science for society) was elected as chief coordinator. Prof. Amarendra Narayan of Dept. of Physics, Patna University has been made Convenor of the conference whereas Prof. D.K.Paul of Dept. of Zoology, Patna University and Dr. Rakesh Kumar Singh have been made co-conveners of the conference. Organising committee was formed for holding the conference in October 2012.
5. Global Scientific council membership has been increased from 25 to 50. The responsibilities of global scientific council have been revised. Members would also contribute for Manthan Paper review(An international journal of Scientific Research and Innovation), conference paper and abstract review of Bihar Science Conference and involve in the other scientific research activities. The meeting was presided by Bibhuti Bikramaditya, global chairman of the society.
